Professor João Soares
Editor-in-Chief
Canadian Journal of Chemical Engineering

Dear Professor João Soares,

Thank you for considering our manuscript, *Optimal Control of Axial Dispersion Tubular Reactors with Recycle: Addressing State-Delay through Transport PDEs*, for publication. We are also grateful to the reviewers for their valuable comments and suggestions, which have been very helpful in improving our work.

To assist in the review process, we have included the following:

- **Reply Letter:** Following this cover letter, detailed responses to each reviewer's comment is provided, addressing each comment individually.
- **Revised Manuscript:** The updated and final version of the manuscript that incorporates changes based on the reviewers' feedback and our own revisions.
- **Tracked Changes:** A document showing all modifications made to the initial submission, with color-coded text and explanations for added, removed, and revised content.

Thank you again for considering our work. We do hope the revised manuscript meets the expectations of the reviewers and the journal.

Sincerely,

Behrad Moadeli
